Objective:

Detail-oriented and innovative software developer, seeking a challenging position to leverage my technical skills, problem-solving abilities, and passion for creating high-quality software solutions.

Technical Skills:

- Languages & Technologies: Python | Java | C# | React | JavaScript | HTML | CSS | Node.js | Bootstrap | ASP.Net Tailwind | Angular | Figma | Selenium

Professional Experience:

Software Developer
Ultii Crati Inc, Chicago, Illinois
Mar 2023 – Present
C# | React | JavaScript | HTML | CSS | Node.js | Bootstrap | ASP.Net | Figma

- Working with founder and team of developers to build a full stack web & IOS application.
- Designed a new web interface that increased retention by 18% and was easier for consumers to navigate.

Web Developer
SinnoMedia, Chicago, Illinois
Aug 2022 – Present
C# | React | JavaScript | HTML | CSS | Node.js | Bootstrap | ASP.Net | Tailwind | Figma

- Develop and maintain websites resulting in 15%-20% more traffic for my clients.
- Collaborate with a cross-functional team of 3 members to design projects with Figma and develop client websites using ASP.Net framework or HTML/CSS/React/JavaScript.
- Conduct code reviews and provide constructive feedback to team members, improving code quality and maintainability.

Software Developer Intern
Exo Athletics, Chicago, Illinois
May 2022 – Aug 2022
Python | Java | HTML | CSS | JavaScript

- Designed and implemented a program that allows the user to figure out their proper size, which led to a 12% decrease in returns.
- Participated in Agile/Scrum practices, including daily stand-ups, sprint planning, and retrospectives.
- Mentored by senior developers, allowing me to improve my skills and contribute effectively to the team.

Projects:

Snake Game – One of my first projects, basic snake game used to entertain my younger siblings.
- Technologies used: [HTML,/CSS/Javascript]

Calorie Tracker/Calculator – Program that allowed my gym clients to track and figure out how many calories they needed to meet their goals.
- Technologies used: [HTML/CSS/JavaScript]

Education:

Master's degree in computer science
Governor's State University, University Park, Illinois
